

What can you grow from soil?

WORKSHEET

Send a Cow is a registered charity in England & Wales (299717) and in Scotland (SC049792)

Let's talk about soil. While it may not be very exciting, we can't live without it!
Colour and label the images below to show the different things you can grow from soil.

Without healthy soils, we wouldn't be able to grow all these amazing things we need to live.
